PERFORMANCE

Please register your new spa within 7 days of delivery. You can register your new spa at www.sundancespas.com. The hot tub must be registered before any authorized service work can be performed. To obtain service in the event of a defect covered by this Limited Warranty, notify your Sundance Spa dealer or Sundance Spas, Inc. as soon as possible and use all reasonable means to protect the spa from further damage. Upon proof of purchase, a designated service representative will correct the defect subject to the terms and conditions contained in this Limited Warranty. There will be no charge for parts or labor to repair the defect, although providing access to affect the repair is your responsibility as the spa owner. You may be assessed reasonable repairman travel mileage charges. In the event that the spa is removed to a repair facility for repair and reinstalled, the cost of removal and reinstallation will be your responsibility as the spa owner. The Manufacturer reserves the right, at its sole option, to either repair or replace any covered part or spa, and in the event it chooses to provide a replacement spa, it will be of equal value of the original spa. In such an event, reasonable costs for removal of the original spa, shipping costs from the factory for the replacement spa and delivery and installation of the replacement will be your responsibility as the spa owner. The replacement spa will carry the balance of the original spa's warranty. Spa covers are not included.

This Limited Warranty does not provide coverage for the insulating cover, any item attached to, or installed on, the spa after the date of manufacture, or for gaining access to any component for repair or replacement. The spa owner accepts liability for repair work performed by anyone other than a designated Sundance Spas representative.
